SYNOPSIS

This request would amend the outline plan approved for the referenced property in 1984. The changes are summarized as follows: 1) Increase of the overall residential density in the PUD portion of the development plan from 6 units/acre to 7.1 units/acre; 2) Designation of 2.2 acres south of the former gas station at the corner of Third St. & Smith Road as BL/PCD with approved land uses of business and professional offices with accessory specialty stores and/or cafe not to exceed 3,000 sq. ft. per use; 3) Designation of previous business area at the southwest corner of the internal public streets as residential with density not to exceed 10 units/acre; 4) Elimination of the public street connection from the north/south collector street to the east property line; and 5) Straightening of the zoning line between the PCD and PUD sections of the property east of the north/south collector street.
